Felicitations

The Chairperson and Trustees of the Greenways Country Estate Homeowners' Association wish to thank all Greenways residents for their support and disciplined living over the past year.

Managing an estate the size of Greenways is not always an easy task, and it is only with the support of all its people that we can collectively ensure that we remain a beacon of valued living in the Helderberg basin.

Many residents were blessed with new babies and others have lost loved ones during the past year. Together we celebrate the new lives to be lived and the ones lived well. Life always goes on, and doing so in an estate that is safe and well kept, is just one more of life's blessings.

Enjoy the festive season and the precious time spent with friends and loved ones. Stay safe on the roads as we wish to see everyone going into the new year well rested and healthy. We look forward to continue in our task to ensure that Greenways stays the wonderful place we all chose to live in.

The Trustees and all of the Greenways management team wish all residents a wonderful and blessed festive season and a particularly happy new year! May 2019 be the year when all your dreams come true.

Annual Golf Day

The annual Greenways golf day on Saturday 1 December 2018 was a huge success and thoroughly enjoyed by both players and supporters.

The new format of playing 18 holes, instead of the usual 9 holes, turned out to be a favourite amongst players, and will probably be repeated next year.

We also wish to extend a HUGE thank you to the sponsors, who have contributed so open-handedly in making the day a success once again.

Fundraiser

Whilst the Greenways clubhouse does have ablution facilities for people with disabilities, it is situated downstairs and accessible from the golf course only.

It is our wish to build a suitable ablution facility on the top level of the Clubhouse where it will be accessible for people visiting the restaurant and Greenways office; without having to brave the elements and go all the way around the building to the lower level.

As we are certain that many residents will feel the need to contribute to this cause, we have initiated a fundraiser and will display a fundraiser barometer in the Greenways Hall.

Please contact the Greenways office should you feel it pressed on your heart to make a financial contribution.

Holiday Access

The Greenways office will remain open for the festive season, albeit with shorter office hours; as mentioned in the latest '*From The Trustees*' Newsletter (available on the Greenways webpage).

Should you wish to obtain access cards for longer-term guests or family, please make timeous arrangements with the Greenways office, and we will gladly assist. Please remember to inform your guests to provide proof of identification.

Builder's holiday

In order to enjoy a quiet holiday period, no building or construction works will be allowed after 14 December 2018. Nothing like a jack-hammer to spoil your sundowner.

Should you be busy with any works at this time, kindly inform your builders to vacate their sites no later than 18:00 on Friday 14 December 2018. Active sites must be safe and enclosed. Please make sure that open sand deposits are closed up with protective material to prevent wind damage.

We resume normal builder's hours and estate activities on Monday 7 January 2019.

Trustees

Mr Fanie Janse van Rensburg (Chairperson), Ms Monika Fourie (Vice Chairperson),
Dr Caroline Blick, Dr Barbara Esterhuysen, Mr Christo Groenewald, Mr Johan Verwey, Ms Gerdia Viljoen

Management Team

Estate Manager	Collin Sherriff
Office Manager	Ursula Snyman
