Notes

These fees are payable before 1 March 2024.

A tenant includes –

- any number of people who occupy a house/unit through that tenant (such as a spouse, children etc), subject to the maximum number allowed in the house/unit – as determined by the number of bedrooms.
- a paying guest/holidaymaker.

A long-term tenant is one who has a lease of 6 months or more.

The tenant administration and registration process for a long-term tenant is more complex (from Greenways' perspective) than the same process for a short-term tenant.

IMPORTANT NOTICE: EACH TENANT / HOLIDAYMAKER MUST PRODUCE A COPY OF THE BOOKING / LEASE WHEN REGISTERING AT THE OFFICE

Fees are payable by:

- EFT – Please use your account number and the letters TAF as your reference.
- On the bank card machine at the office.
- Fees that are not paid on time and via the above methods will be added to the levy statement.
