This includes incurring expenditure applicable to the Common Area, as well as the collection of levies for which Members are liable. The purpose of the Association is to ensure a clean, safe and congenial living environment and to control and maintain the Greenways Estate, for the benefit of all Members. This is to be achieved by, inter alia, -

- 3.2.2 the provision and maintenance of effective security measures at the Greenways Estate, including ingress and egress control;

- 3.4 The Association shall not knowingly be a party to or permit itself to be used as part of any transaction, operation or scheme of which the sole or main purpose is or was the reduction, postponement or avoidance of liability for any tax, duty or levy which, but for such transaction, operation or scheme, would have been or would have become payable by any person under the Income Tax Act, 1962,

or any other Act administered by the Commissioner for the South African Revenue Service.

4 FINANCIAL YEAR END

- 6.2 The amount of the levies is determined annually by the Trustee Committee (and accepted by the Members at the annual general meeting) to meet the expenses during each financial year, together with such estimated deficiency, if any, as shall result from the preceding financial year, and shall make levy upon the Members, equal or as nearly as is reasonably practical to the aggregate of such estimated amount plus any or all of such estimated deficiency as the Trustee Committee deems necessary to include and is approved by the Members at the annual general meeting in question. The levies may include an amount to be held in reserve to meet anticipated future expenditure not of an annual nature. In calculating the levies, the Trustee Committee shall take into account any income earned by the Association.
- 6.3 Levies are payable on all original Erven and Units and, subject to clause 6.4, the same levy is payable in respect of each original Erf or Unit.
- 6.4 If a Member fails to commence or complete the construction of a new dwelling on an Erf in conformity with the time periods permitted in the applicable Regulations, the Trustee Committee may direct that the levy payable in respect of the Erf increases by up to a maximum of ten times the normal levy or make such other arrangement as it deems expedient.

A Member shall cease to be liable for future levies (including special levies) upon his or her ceasing to be a Member of the Association, without prejudice to the Association's right to recover arrear levies.
- 6.8 No levies paid by a Member are repayable by the Association upon a Member ceasing to be a Member, but the account of the new owner of the Land Unit concerned must be credited with the amount of any levies prepaid by the outgoing Member. A Member's successor in title to a Land Unit shall be liable, as from the date upon which he or she becomes a Member pursuant to the registration of transfer of that Land Unit, to pay the levy attributable to that Land Unit.
- 6.9 To the maximum extent permitted by law and the Regulations from time to time, a Member may be refused any of the privileges of membership of the Association and/or any service supplied by the Association, for so long as he/she is, in the discretion of the Trustee Committee, in material breach of his or her obligations to the Association.
